Even though she thinks it's a
great idea, it's harder to hide
her surprise at the author's
sudden confession!
And all the other characters
are in the room, she's making
her depressed...
But now, Mimi's going to
perform to cheer up her
school...!!

♡ I got a second
day. She's a student
with a lot of stuff, really
hard. I know it's just for my
own enjoyment - I've
been doing stuff like
making clothes for
her out of worn out
T-shirts. They take
about an hour to
make on the sewing
machine. Since the
other day already
wore clothes like
these, maybe we'll all
have matching outfits
someday.
